

**FINANCIAL STATEMENTS**  
**For**  
**ONTARIO BRAIN INSTITUTE**  
**For year ended**  
**MARCH 31, 2022**

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of

**ONTARIO BRAIN INSTITUTE**

*Opinion*

We have audited the financial statements of Ontario Brain Institute (the Organization), which comprise the statement of financial position as at March 31, 2022, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2022 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Other Matter*

The financial statements of the Organization for the year ended March 31, 2021 were audited by another auditor who expressed an unmodified opinion on those financial statements on July 20, 2021.

*Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2022**

**1. NATURE OF OPERATIONS**

Ontario Brain Institute ("OBI") is a not-for-profit organization without share capital and on April 2, 2013, was continued under the Canada Not-for-profit Corporations Act.

OBI is funded by the Government of Ontario. OBI's existing contract with the Ministry of Economic Development, Job Creation and Trade beginning April 1, 2018, ends on March 31, 2023. The Ministry has committed funding to OBI of \$100,000,000 over five years. Effective 2019-20, the Ministry of Colleges and Universities (the "Ministry") administers this contract.

OBI was established to become an internationally recognized centre of excellence in brain and neuroscience research, clinical application of research, commercialization of research and education and training in research discoveries, relating to prevention, early detection, diagnosis, treatment and control of brain diseases and disorders.

**2. SIGNIFICANT ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook. Significant accounting policies are as follows:

*Revenue recognition*

OBI follows the deferral method of accounting for contributions.

Capital contributions for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis at a rate corresponding with the amortization rate of the related capital assets.

Externally restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted interest income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted interest income is recognized as revenue when earned.

Sublease revenue is recognized over the term of the lease.

*Cash and cash equivalents*

Cash and cash equivalents include cash on account and guaranteed investment certificates.

*Capital assets*

Capital assets are recorded at cost less accumulated amortization, provided on a straight-line basis over the estimated useful lives as follows:

Computer hardware	3 years
Computer software	2 years
Website	5 years
Furniture and equipment	5 years
Leasehold improvements	Over lease term

In the period of acquisition, 50% of the annual amortization rate is used.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

**2. SIGNIFICANT ACCOUNTING POLICIES - Cont'd.**

*Deferred lease inducement*

The deferred lease inducement is amortized over the term of the lease agreement to correspond to the asset to which it relates.

*Financial instruments*

Financial assets are initially recognized at fair value when OBI becomes a party to the contractual provisions of the financial instrument. Cash and investments are subsequently measured at fair value and all of OBI's other financial instruments are measured at amortized cost.

Transaction costs related to financial instruments measured at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the straight line method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight line method and recognized in net earnings as interest income or expense.

With respect to financial assets measured at cost or amortized cost, the company recognizes in net earnings an impairment loss, if any, when it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss shall be reversed in net earnings in the period the reversal occurs.

*Controlled entity*

OBI has chosen not to consolidate the not-for-profit foundation it controls, and instead, to disclose summarized financial information of the controlled foundation.

*Use of estimates*

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Areas requiring significant estimates and assumptions include determining the allowance for doubtful accounts, the useful lives of tangible capital assets, and the amount of accrued liabilities.

**3. INVESTMENTS**

In accordance with the repayment terms of a convertible promissory note, OBI received common shares in lieu of cash payment on December 1, 2021. As at March 31, 2022, the fair market value of this investment is \$288,072.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

**4. CAPITAL ASSETS**

	<u>2022</u>		<u>2021</u>	
	<u>Cost</u>	<u>Accumulated amortization</u>	<u>Cost</u>	<u>Accumulated amortization</u>
Computer hardware	\$ 148,189	\$ 136,212	\$ 148,189	\$ 126,808
Computer software	174,224	167,364	174,224	149,356
Website	150,093	150,093	150,093	145,624
Furniture and equipment	232,959	176,513	232,959	139,646
Leasehold improvement	<u>1,530,250</u>	<u>692,199</u>	<u>1,530,250</u>	<u>539,174</u>
	2,235,715	<u>\$ 1,322,381</u>	2,235,715	<u>\$ 1,100,608</u>
Less: accumulated amortization	<u>(1,322,381)</u>		<u>(1,100,608)</u>	
	<u>\$ 913,334</u>		<u>\$ 1,135,107</u>	

Included in administrative support expense is amortization of capital assets of \$221,773 (2021 - \$254,047).

**5. PROMISSORY NOTES**

In 2020, OBI changed the form of funding that it provides to Neurotech Early Research Development entities to be in the form of loans where previously, OBI extended grants to these types of entities. During the year, OBI issued interest bearing convertible promissory notes to seven (2021 - nine) companies totaling \$1,388,014 (2021 - \$1,994,892), including accrued interest. Certain promissory notes are convertible into common shares of the companies at the option of OBI at any time prior to the repayment or maturity date.

Given that these organizations are start-up companies, the risk of default of repayment is great and there is low probability that there will be value in equity in the future. During the year, \$1,036,099 of the loans were repaid.

Promissory notes includes:

	<u>2022</u>	<u>2021</u>
Promissory notes	\$ 3,603,811	\$ 3,049,428
Allowance for doubtful accounts	<u>(3,401,342)</u>	<u>(3,049,428)</u>
Balance, end of year	<u>\$ 202,469</u>	<u>\$ -</u>

Management assessed the recoverability of these notes and recorded an allowance of \$3,401,342 on the balance as at March 31, 2022 (2021 - \$3,049,428). Included in industry and education expense is bad debt expense of \$1,227,769 (2021 - \$1,994,892).

**6. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES**

Included in accounts payable and accrued liabilities are government remittances payable of \$610 (2021 -\$953), which includes amounts payable for payroll-related taxes.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

**7. DEFERRED CONTRIBUTIONS**

Changes in the deferred contributions balance during the year are as follows:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 1,503,703	\$ 2,511,577
Contributions received	21,005,333	19,948,606
Amounts recognized as revenue	<u>(19,382,949)</u>	<u>(20,956,480)</u>
Balance, end of year	<u>\$ 3,126,087</u>	<u>\$ 1,503,703</u>

**8. DEFERRED LEASE INDUCEMENT**

The deferred lease inducement represents a leasehold improvement inducement received and receivable from the landlord.

**9. DEFERRED CAPITAL CONTRIBUTIONS**

Deferred capital contributions represent the unamortized amount of contributions received for the purchase of capital assets.

Changes in the deferred capital contributions balance during the year are as follows:

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 507,543	\$ 606,057
Contributions received	-	51,394
Amounts amortized to revenue	<u>(117,634)</u>	<u>(149,908)</u>
Balance, end of year	<u>\$ 389,909</u>	<u>\$ 507,543</u>

**10. ONTARIO BRAIN INSTITUTE FOUNDATION**

OBI is related to the Ontario Brain Institute Foundation (the "Foundation") by virtue of sharing common Board of Directors.

The Ontario Brain Institute Foundation (the "Foundation") continued under the Canada Not-for-profit Corporations Act on April 28, 2014. The Foundation is a registered charity under the Income Tax Act (Canada) and was established to fund academic and treatment centres in Canada that are qualified donees for purposes of the Income Tax Act (Canada), in furtherance of brain and neuroscience research and the education and training of brain and neuroscience researchers.

OBI provides administrative support to the Foundation at no cost.

All related party transactions are in the normal course of operations and are measured at the exchange amounts, which is the amount of consideration agreed upon by the related parties.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

10. **ONTARIO BRAIN INSTITUTE FOUNDATION - Cont'd.**

The Foundation's financial statements have not been consolidated in OBI's financial statements. There are no restrictions on the resources of the Foundation, nor are there significant differences from the accounting policies used by OBI.

Financial summaries of the Foundation are as follows:

(a) Financial position:

	<u>2022</u>	<u>2021</u>
<i>Assets</i>		
Cash	\$ 463,954	\$ 570,319
Other receivables	86	2,069
	<u>\$ 464,040</u>	<u>\$ 572,388</u>
<i>Liabilities and net assets</i>		
Accounts payable and accrued liabilities	\$ 9,459	\$ 58,835
Net assets	<u>454,581</u>	<u>513,553</u>
	<u>\$ 464,040</u>	<u>\$ 572,388</u>

(b) Statement of operations:

	<u>2022</u>	<u>2021</u>
Revenue	\$ 18,061	\$ 64,499
Expenses	<u>77,033</u>	<u>106,031</u>
Deficiency of revenue over expenses	<u>\$ (58,972)</u>	<u>\$ (41,532)</u>

(c) Changes in net assets:

	<u>2022</u>	<u>2021</u>
Net assets, beginning of year	\$ 513,553	\$ 555,085
Deficiency of revenue over expenses	<u>(58,972)</u>	<u>(41,532)</u>
Net assets, end of year	<u>\$ 454,581</u>	<u>\$ 513,553</u>

(d) Statement of cash flows:

	<u>2022</u>	<u>2021</u>
Increase (decrease) in cash from operating activities	\$ (106,365)	\$ 7,828
Cash, beginning of year	<u>570,319</u>	<u>562,491</u>
Cash, end of year	<u>\$ 463,954</u>	<u>\$ 570,319</u>

11. **EXPENSES**

Salaries and benefit expenses included in expenses are as follows:

	<u>2022</u>	<u>2021</u>
Research programs	\$ 440,730	\$ 575,544
Informatics and analysis	287,516	339,020
Industry and education	440,234	547,617
Administrative support	1,574,701	1,510,162
Knowledge translation	<u>623,169</u>	<u>645,271</u>
	<u>\$ 3,366,350</u>	<u>\$ 3,617,614</u>

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

**12. COMMITMENTS**

(a) Lease and other commitments:

During the year and subsequent to year end, OBI entered into various operating contracts and leases for its premises, office equipment and other services. OBI sub-leases certain premises, revenue of which is recorded in other revenue. OBI maintains ultimate responsibility related to the leases between OBI and the landlords. The future minimum payments for leases and other services, net of sub-lease receipts, are as follows:

	<u>OBI's commitments</u>	<u>Sub-lease receipts</u>	<u>Total</u>
2023	2,390,150	629,735	1,760,415
2024	1,111,614	321,187	790,427
2025	810,859	299,693	511,166
2026	810,859	299,693	511,166
2027	810,859	299,693	511,166
Thereafter	<u>1,283,860</u>	<u>474,515</u>	<u>809,345</u>
	<u>\$ 7,218,201</u>	<u>\$ 2,324,516</u>	<u>\$ 4,893,685</u>

(b) Grant commitments:

OBI has approved grants of \$9,810,296 (2021 - \$19,460,000), which will be paid in future years once the conditions of the grants have been met. These amounts are not reflected in the statement of operations and changes in net assets.

2023	<u>\$ 9,810,296</u>
------	---------------------

**13. ADDITIONAL INFORMATION**

Reconciliation of statement of operations to Ministry Report:

Total operating revenue	\$ 20,160,127
Add:	
Deferred operating contributions	<u>2,909,225</u>
Less:	
Other Non-Ministry revenue	22,904
Deferred capital contributions, net change	117,634
Sublease revenue	<u>636,640</u>
	<u>777,178</u>
Total Ministry revenue	<u>\$ 22,292,174</u>
Total operating expenses	\$ 20,137,224
Add	
Change in prepaid expenses and deposits	<u>297,298</u>
Less:	
Amortization of capital assets (net of leasehold inducement)	117,634
Rent expense on subleased offices	<u>636,640</u>
	<u>754,274</u>
Total Ministry expenses	<u>\$ 19,680,248</u>

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

**14. FINANCIAL INSTRUMENTS**

OBI is exposed to and manages various risks resulting from its financial instruments. The following analysis provides a measure of OBI's risk exposure and concentrations:

*Credit risk*

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. OBI's maximum exposure to credit risk represents the sum of the carrying value of its cash and cash equivalents, other receivables, and promissory notes. OBI's cash and cash equivalents are held with a Canadian chartered bank. OBI assesses, on a continuous basis, accounts receivable and promissory notes, and provides for any amounts that are not collectible in the allowance for doubtful accounts. As a result, management believes the risk of loss of these items to be remote.

*Liquidity risk*

Liquidity risk is the risk that OBI cannot meet a demand for cash or fund its obligations as they become due. OBI manages its liquidity risk by preparing budgets and monitoring cash flow forecasts to ensure it has sufficient funds to fulfill its obligations. As a result, management believes its exposure to liquidity risk is minimal.

*Market risk*

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk.

i) *Currency risk*

Currency risk refers to the risk that the fair value of instruments or future cash flows associated with the instruments will fluctuate relative to the Canadian dollar due to changes in foreign exchange rates. OBI's financial instruments are all denominated in Canadian dollars. The statement of financial position includes the following amounts that are denominated or to be settled in a currency other than the Canadian dollar:

Cash	\$13,365 CAD	\$10,695 USD
------	--------------	--------------

ii) *Interest rate risk*

Interest rate risk refers to the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market interest rates. OBI's cash earns interest at prevailing market rates and the interest rate exposure related to these financial instruments is negligible. As a result, management does not believe it is exposed to significant interest rate risk.

**ONTARIO BRAIN INSTITUTE**  
**NOTES TO THE FINANCIAL STATEMENTS - Cont'd.**  
**YEAR ENDED MARCH 31, 2022**

14. **FINANCIAL INSTRUMENTS - Cont'd.**

*Market risk - Cont'd.*

iii) *Other price risk*

Other price risk refers to the risk that the fair value or future cash flows of financial instruments will fluctuate because of the changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument, its issuers, or factors affecting all similar instruments traded in the market. OBI has investments in equities that are publicly traded. OBI's maximum exposure to other price risk represents the sum of the carrying value of its equity investments (see note 3).

*Changes in risk*

With the exception of the investment in publicly traded securities, there were no other significant changes in risk exposure from the previous year.

15. **COMPARATIVE FIGURES**

Comparative figures have been reclassified in order to conform to the financial statement presentation adopted in the current year.
